

# SAY "NO!" TO OVER 3,000 HOUSES BETWEEN SILSOE AND BARTON LE CLAY

Residents across Silsoe, Barton Le Clay, Pulloxhill, Gravenhurst and other affected areas including Shillington, Higham Gobion, Pegsdon and surrounding villages are campaigning with local Councillors to object to a 3,850 home new town between Barton Le Clay and Silsoe, on the east side of the A6.

## HELP US STOP THIS DEVELOPMENT IN ITS TRACKS

*This map illustrates the proposal for a **HUGE NEW TOWN RIGHT ON YOUR DOORSTEP**, covering the large area outlined in **red***

*It includes **BULLDOZING SOME OF OUR PRECIOUS GREENBELT!***

*It's a **DISPROPORTIONATE PLAN** compared with to the two sites selected by Central Bedfordshire Council for the Local Plan (and outlined in black), and it will **SWAMP** and **GRIDLOCK** our **COMMUNITIES***

**Councillors James Jamieson, Alison Graham & Ian Shingler, together with MP Nadine Dorries are opposing this development**
