Ward Councillor Childs left at 7.50pm

257.5 **To consider new planning applications or delegate authority to respond to committee CB/24/02896/FULL, 59 Manor Road: New self build three bedroom bungalow**

A resident spoke regarding the development and raised concerns regarding the parking of construction vehicles involved in the development. The neighbouring property was recently developed and there were parking issues during the build. In particular the junction of White Hill Road. The resident was advised that they should submit their own comments, but Council noted the request for a condition to be added regarding safe parking, should planning be approved.

Following discussion, Councillor Gardner **PROPOSED** the following objection be submitted, **SECONDED** by Councillor Rudd and **UNANIMOUSLY CARRIED**.

**OBJECT** – The Parish Council object to the proposed planning application for a new self-build three-bedroom bungalow in the garden of a property recently re-developed from a bungalow to a 2-storey house. The proposed development is actually a chalet bungalow style and would create a very crowded and over-developed appearance within the street scene, being very close to both No.59 and No.55 Manor Road. Other properties within the vicinity of the proposal on Manor Road are existing semi-detached or detached properties, generally on slightly larger plots with good spacing between each unit, in keeping with the Area of Special Character. The previous application for a 3-bed detached dwelling was refused in March 2023 and this application raises similar concerns. Access to the property will be required onto Manor Road at an already busy junction, which is also of concern to the Parish Council. Whilst the Plans show a vehicle manoeuvring area for the new dwelling, this appears to be tight on the proposed new plot. It is understood that the proposed dwelling does not meet Local Plan Policy H2 re Nationally Described Space Standards and also does not currently qualify as a self-build. Both these issues would need to be resolved prior to any approval being considered. If planning were to be granted, the Parish Council request that a clause be included to prevent construction vehicles parking on the highway and footpath outside the property during development, due to the obstructions caused to vehicles and pedestrians using this busy junction, particularly school traffic.

**CB/24/02957/FULL, 56 Higham Gobion Road: Erection of single storey rear extension, additional rooflights to front and rear, alterations to windows and doors. Demolition of garage.**

- *No comments*

257.6 **To acknowledge and approve any response to new Tree Preservations Orders: 19/2024, 14 Bedford Road and 32/2024, Washbrook Close**

The consultation was acknowledged. Members supported the recommendations for the tree preservation orders, which both replace previous historic Tree Preservation Orders.

257.7 **Update regarding the S106 Agreement in respect of development on Land East of Barton-le-Clay**

Central Bedfordshire Council (CBC) confirmed that the inaccuracies relating to the Village Hall and Sports Field, which had been highlighted in 2022, will now be amended. However, the queries regarding transport improvements will not be discussed. A meeting to discuss the agreement further

is being arranged with CBC and Ward Councillors French, Childs, Councillor Paxton and the Clerk. Councillor French advised that the CBC Sustainable Communities Committee have considered the S106 process, in light of the issues raised in Barton-le-Clay, and they have agreed that the current process should be made clearer, including adding a draft agreement on the planning portal for consultation ahead of the decision process. Councillor Gardner thanked Councillor French for her efforts in taking this forward.

**257.8 Update regarding 22a Bedford Road, [CB/24/02865/LDCP](#): Lawful Development Certificate Proposed: Use of the building as a restaurant (Use Class E(b)) with internal alterations – for information only**

As noted earlier in the meeting, the planning application for 22a Bedford Road has been granted under permitted development.

The consultation was acknowledged and will be discussed further at the next Planning Committee meeting.

- 260.4 **To approve the implementation of the NJC staff pay award for 2024/25**  
Details of the pay agreements were provided prior to the meeting. - 260.5 **To consider and approve request from Unity Hall for changes to their car park and storage**

- 260.7 **To receive an update and consider Parish Council options regarding the auction of three parcels of amenity land by the Landowner on the Grange Road Estate**  
The Clerk reviewed the legal pack provided by the auctioneers in respect of the sale, which takes place on 14<sup>th</sup> November. In addition to the sale cost, the purchaser will incur solicitors and buyer’s fees and will be asked to pay a £10,000 deposit. The land was thought to be owned by Tilia Homes (formerly Twigden Homes) however, it appears to have been sold on to Greenfurb Ltd. Each piece of land has a public right of way running through it and two of the parcels have been identified as Local Green Space in the Draft Neighbourhood Plan. There was strong feeling that the land should not be up for sale, and it must be retained as amenity/green space. Following discussion, the Clerk was asked to contact the Auctioneer to advise that the Parish Council will take on maintenance of the land, should it be signed over, but is unable to purchase it at such high costs.
- 24/261 BURIAL GROUNDS COMMITTEE REPORT/UPDATE**
- 261.1 **Matters arising from previous Burial Grounds committee not included within agenda - information only**

- 261.2 **To acknowledge the Burial Ground, Churchyard and War Memorial inspections**  
The inspections undertaken on 14<sup>th</sup> and 28<sup>th</sup> October were acknowledged.  
  
Burial Ground & Churchyard – on 28<sup>th</sup> October it was noted that the grass and hedges needed cutting and a leaf collection is due. The contractor attended site later that week to cut the grass. Hedges are due to be cut over the autumn/winter, as per the contract and leaves collected as necessary.
