Anyone interested in attending either of these events, was asked to let the Clerk know. Both events have been publicised on the noticeboards and Social Media.

The Office shredder is nearly 5 years old and has stopped working due to failure of the cutting gears. The Tree Planting Grant for Lovers Walk was declined by Central Beds Council as it was considered a statutory duty to fulfil the terms of the Felling Licence and so did not qualify for the scheme. However, the Clerk amended the application before the deadline of 31st January and has applied for hedging plants to complete the works at the Allotments, Norman Road Play Area and the Burial Ground. A decision is awaited.

It is understood that the schools have been discussing a possible School Streets scheme for Manor Road with Central Beds Council, to ease the congestion seen at drop-off and pick-up times. CBC are not in favour of a speed reduction around the school.

The issue with the football being played on Dunstall Road open space is still not resolved and a concerned resident has raised this again with the Parish Council, with a petition from some concerned neighbours. The Clerk has directed them to the Ward Councillors to take up with Central Beds Council if no progress is being made with the school's intervention. Councillor Gardner expressed a non-pecuniary interest as a resident of Dunstall Road. After discussion, Councillor Paxton **PROPOSED** to write to Councillor Childs to express the Council's view that the open space should be retained as a local green space and discourage any restrictions being put in place. This was **SECONDED** by Councillor Fletcher, **with 9 in favour and 1 abstention**.

423.3 To consider and approve quote for repairs to the emergency lighting at the Sports Pavilion

When the annual service of the Fire Alarm and Emergency Lighting were undertaken last September, 9 lights failed the 3-hour discharge test. The Clerk has now managed to clarify the situation with Knights Shield Fire & Security Systems who undertook the testing. All the lights lasted over 2 hours but not the required 3 hours (BS 5266-1 Standard recommendation). 5 of the lights in the changing rooms failed in 2023, but only one was replaced at that time, under warranty. The cost to replace the required bulbs is £587.67 plus VAT. Following discussion, Councillor Fletcher **PROPOSED** to acknowledge the recommendation but, given the nature of the building, to accept the reduced discharge time and not replace the bulbs. This was **SECONDED** by Councillor Selley and **UNANIMOUSLY CARRIED**. The Risk Assessment will be updated to reflect this reduced standard.

423.4 To consider changes at the Sports Pavilion and Sports Pitches

As advised at the January Full Council meeting, the S106 agreement for land East of the Village has been signed by Taylor Wimpey and Central Beds Council. The agreement includes funding of £366,991 for improvements to facilities at the Luton Road Sports Field, including the addition of a 3G pitch to be added to the site, as per the Feasibility & Business Plan drawn up for the Parish Council in 2022. A meeting has been agreed for 28th February at the Pavilion, hosted by MP Blake Stephenson, to discuss the project with members of Beds FA, Barton Rovers FC and Barton Rovers Youth FC. Councillors Selley, Paxton, Tebb and Fletcher and the Clerk and Assistant Clerk will represent the Parish Council. A pre-briefing meeting was arranged for 21st February at 9am at the Parish Office.

In addition, there is a need to fully fence off the facility due to ongoing issues of dog fouling and to provide additional parking.
