26/035 POLICE REPORTS

035.1 To acknowledge receipt of Crime Statistics for April 2026

The Crime statistics for April 2026 were acknowledged.

In April, a total of 19 crimes were reported on the Police.uk website: 7 unable to prosecute suspect; 5 under investigation; 4 with action to be taken by another organisation; and 3 where investigation complete, no suspect identified. The categories included: 10 violence and sexual offences; 4 anti-social behaviour; 2 criminal damage & arson; 1 vehicle crime; 1 possession of weapons and 1 shoplifting.

Members commented on the high number of cases where the Police were unable to prosecute suspect.

26/036 PUBLIC QUESTION TIME –

A resident from Washbrook Close was in attendance and raised concerns regarding the ongoing anti-social behaviour with cars speeding along the A6 cutting. Specific instances have been reported to the Police but given the limited police resources, the issue is continuing.

Ward Councillor Childs has already taken this matter up with both Central Beds Council and the Police and a Public Space Protection Order was consulted on in March, regarding nuisance motoring. She has also been lobbying for average speed cameras to be installed. This was made a Police priority area in Q1, following the Parish Council attending the Community Policing Priority Setting meeting in January.

The resident also raised concerns regarding drug dealing on Old Road, particularly after school hours, and wondered if the schools were aware.

26/037 CENTRAL BEDFORDSHIRE WARD COUNCILLOR REPORT

037.1 Councillors French and Childs were unable to attend the meeting. Councillor Childs provided a written summary of the resident's issues she has been working on, including overgrown hedges/trees on Dunstall Road alley, petitions regarding speeding on Sharpenhoe Road & the A6, parking enforcement around the schools and Planning Officer meeting regarding Taylor Wimpey development infrastructure issues. There is also a new Silsoe & Barton Defender newsletter being delivered to households on behalf of Councillors Childs and French.

26/038 PLANNING COMMITTEE REPORTS/UPDATE

038.1 Matters arising from previous Planning Committee not included within agenda – information only

Councillors Paxton and Qureshi and the Clerk attended Arnold Academy on 21st May with the Blacksmith Artist, to engage with children representing Ramsey Manor and Arnold Academy schools, to gather ideas for the artwork planned for the new Taylor Wimpey development site. Based on this feedback, the artist will prepare some draft designs. It is suggested that a public consultation be held on 15th June, before the next Committee meetings at the Village Hall, to agree the design.

Councillors French and Childs have been seeking clarification regarding the first tranche payment from Taylor Wimpey due under the terms of the S106 agreement. The Parish Council are managing the 3G Project at the Sports Field and will be engaging with the relevant parties as appropriate, over the coming months. A meeting is being arranged with the Planning Officer to clarify timings for the S106 payments and to also discuss ongoing management of the facilities planned for the new site.

038.2 **Update on planning applications refused/granted**

A list of application decisions was circulated to members prior to the meeting. This was noted.

038.3 **Update on Enforcement Notices** – There were none.

038.4 **To consider new planning applications or delegate authority to respond to committee:**

CB/26/01448/FULL, 145 Norman Road: Single storey front/side extension and garage conversion. First floor side extension, including one roof light.

- No comments.

CB/TCA/26/00233, 14 Church Road: Works to trees within a Conservation Area: Remove and Replace 4 trees.

Following discussion, Councillor Laycock **PROPOSED** the following comments be submitted, **SECONDED** by Councillor Selley and **UNANIMOUSLY CARRIED**:

COMMENT – The Parish Council value the visual amenity and biodiversity that trees provide. They are reluctant to see the felling of potentially healthy trees without specialist evidence that the trees are in decline. However, they are happy to follow the advice and recommendation from the Central Beds Council Tree & Landscape Officer with regards to the application.

CB/TRE/26/00139, 11 Manor Farm Close: Works to trees protected by Tree Preservation Order SB/6/1994/G4: Pollard back to previous points to two Ash trees (T1 and T2) in the rear garden.

Following discussion, Councillor Laycock **PROPOSED** the following comments be submitted, **SECONDED** by Councillor Selley **with 6 in favour and 1 abstention**:

COMMENT – The Parish Council are happy to follow the advice and recommendation from the Central Beds Council Tree & Landscape Officer with regards to the application.

CB/TCA/26/00262, 53 Hexton Road: Works to trees within a Conservation Area: Remove Walnut Tree and replace with the same.

Following discussion, Councillor Laycock **PROPOSED** the following comments be submitted, **SECONDED** by Councillor Selley and **UNANIMOUSLY CARRIED**:

COMMENT – The Parish Council value the visual amenity and biodiversity that trees provide.

However, they are happy to follow the advice and recommendation from the Central Beds Council Tree & Landscape Officer with regards to the application.

038.5 **To consider mobile street trading license application**

Central Beds Council Licensing have provided details of a street trading consent application from Annmaries Caribbean Cuisine. No details were provided regarding the proposed route or trading area proposed in the Village. Following discussion, Councillor Laycock **PROPOSED** the following objection be submitted, **SECONDED** by Councillor Vale and **UNANIMOUSLY CARRIED**.

OBJECT – The Parish Council object to a street trading license being granted to Annmaries Caribbean Cuisine. They feel that the business would have an adverse impact on already stretched limited parking facilities within the centre of the Village. There are insufficient details provided for the proposed trading route, and this would need to be considered to ensure road safety is maintained in any area that the vehicle would be trading from. They also feel that the business would conflict with the established restaurants and take-away businesses already trading within a small area in the centre of the Village, taking vital revenue from these businesses. No details of Public Liability insurance have been provided by the applicant.

039.1 **To receive and approve the minutes of the Annual Meeting of the Parish Council held on 11th May 2026**

26/040 CHAIRMAN'S ANNOUNCEMENTS

040.1 **Announcements as deemed appropriate by the Chairman**

Councillor Paxton discussed feedback from the Annual Parish Meeting. The format was good, with several local groups in attendance, but unfortunately there were only 6 residents in attendance. Next year will need more forward planning and potentially a change of date as it is election year.

The family of the late Councillor Gill Gardner are arranging an open day at the Bowls Club on 20th July in her memory. Further details will be provided nearer the time.

26/042 POLICIES & RESOURCES COMMITTEE REPORT/UPDATE

- 042.1 **Matters arising from previous Policies & Resources Committee not included within agenda - information only**
There was none.

26/043 BURIAL GROUNDS COMMITTEE REPORT/UPDATE

- 043.1 **Matters arising from previous Burial Grounds committee not included within agenda - information only**

The stonemason has begun work to refix unstable memorials in the Churchyard Garden of Rest on 28th/29th May. The remaining memorials will be refixed as soon as possible so that the work can be signed off with the Diocese.

Memorial stability testing in the Burial Ground has been scheduled to take place on 24th June. Advance notice has been given in the Parish newsletter and posters have been displayed at the Burial Ground and on notice boards.

The Office received a report that a vehicle with 2 men were doing donuts in the Burial Ground car park on Saturday 23rd May, during the daytime. A resident has evidence of the vehicle including number plate and has reported this to the Police. There were clear tyre marks on the Burial Ground car park surface following the incident.

- 043.2 **To acknowledge the Burial Ground, Churchyard and War Memorial inspections**

The inspections undertaken on 26th May and 2nd June were acknowledged. Everything was in order with the exception of strimming required in the Burial Ground and Churchyard.

26/044 HIGHWAYS & ENVIRONMENT COMMITTEE REPORT/UPDATE

- 044.1 **Matters arising from previous Highways & Environment committee not included within agenda - information only** - There was none.

- 044.2 **To acknowledge the Bus Shelters inspections**

The bus shelter inspections of 18th May and 1st & 2nd June were acknowledged. Everything was in order and the shelters were washed on 2nd June.

- 044.3 **To consider request to re-locate a tree**

A representative from The Waggon & Horses has contacted the Parish Council to advise that they need to relocate a 2year old Walnut Tree, due to renovations at the Pub. Following discussion, it was decided that there is nowhere suitable in the Village for the tree to go where it will not hamper other plants and require too much maintenance. The Clerk was asked to make enquiries to see if the resident looking to remove and replace a Walnut tree, as per planning application CB/TCA/26/00262, would be interested in the tree.

The member of the public left the meeting at 8.32pm.

- 044.4 **Update from meeting regarding parking concerns for the Nature Reserve**

As advised at the last meeting, Ward Councillor Childs arranged a follow-up meeting with all parties on 3rd June. Representatives from residents, local farmer, Natural England, Heads of both local schools, CBC Highways and CBC Community Safety & Enforcement attended, as well as the Clerk and Ward Councillor French. Natural England reinforced that they do not support the provision of parking and consider that the Reserve is already at capacity with visitors, given its SSSI designation. Recent anti-social behaviour and fire damage have added to concerns. Education regarding the limited facilities and what is not allowed was felt important, using CBC, Police and Fire and schools to help reinforce the message. CBC Highways were asked about additional signage for Church Road and Old Road, but they advised this was not necessary, given the double yellow lines already in place. Regular parking enforcement officers patrol from CBC. Improvements to the verge parking on Old Road were suggested, where there are currently large potholes – CBC Highways agreed to consider. Leaflets, posters and signs on the Reserve were suggested to help educate visitors – the Parish Council were happy to support, where possible. Social Media posts have helped to advertise

the Reserve but not necessarily encouraging the right visitors. Reinforcement of the Countryside Code would be helpful. A further meeting was suggested in 2months time.

Members agreed to discuss this item further at the next Leisure, Burial Ground and Highways & Environment meetings to see if the Parish Council can do anything to help educate visitors to the area.

26/045 LEISURE COMMITTEE REPORT/UPDATE

045.1 Matters arising from previous Leisure Committee not included within agenda – information only

Over the last couple of weeks there have been multiple issues at the Recreation Ground with broken glass, excessive rubbish and the bin by Washbrook Close entrance has been damaged/vandalised. There was also a 2nd incident whereby the picnic table in the play area has been burnt. The levels of rubbish being left at the Recreation Ground has increased significantly taking up a lot of the grounds staff time to clear, ready to be collected by CBC.

There has been evidence that BBQs are being used on the Recreation Ground, these are not permitted and signage is displayed at the main entrance by the play area. Additional signs have been attached to the entrance gates in an attempt to make visitors aware of the rules.

Re: minute point 26/017.6 the tree in Norman Road has been removed by Jempson Tree Services.

Re: minute point 26/017.5 the new chains for the basket swing have been received and will be fitted shortly.

Following a meeting with Wicksteed Leisure, they have provided a concept design idea and costs for the Norman Road Play Area. Although there are insufficient funds at present to refurbish the area, it will be useful for future budgeting.

Councillor Mikkelson and the Assistant Clerk met with Aegis 4 Security Ltd on 5th June to review the proposed requirements to replace/repair the gates at Arnold Recreation Ground. Quotes are now awaited and will be discussed at the next meeting.

045.2 To acknowledge weekly Playground and Fitness Equipment Inspections

The Arnold Recreation Ground playground, Fitness Equipment and Norman Road play area inspections for the 26th May and 1st June were acknowledged.

Fitness Equipment – On 26th May glass was cleaned up from the Bank Holiday weekend, everything else was in order

Arnold Rec – On 26th May there was broken glass and litter which was cleared up following the Bank Holiday. 12 bags of rubbish overspill were filled and removed by CBC. The picnic bench was burnt a 2nd time. On 2nd June the surfacing was noted as needs some repair. This is on the grounds staff list to carry out asap.

Norman Road – On 26th May the sign was refixed. Everything else was in order.

045.3 To consider request to use the Recreation Ground for Yoga classes

A resident is seeking permission to use the Recreation Ground to hold regular yoga classes twice a week on a Saturday.

Other groups use the Recreation Ground, including the Barton Rovers Youth FC for Summer training. They would need to be mindful of this so there are no clashes or increase in parked cars to cause a nuisance to residents. After consideration, Councillor Vale **PROPOSED** approval of the request to hold yoga classes on the Recreation Ground for a trial period until 1st September 2026, subject to receipt of all the necessary paperwork, **SECONDED** by Councillor Tebb and **UNANIMOUSLY CARRIED**.

045.4 To receive an update on the table tennis repair/relocation options

The quote from Online Playgrounds to provide a replacement leg and relocate the table was provided to members ahead of the meeting. There is a possibility that the table will break on repair/removal.

The supplier has confirmed that the damaged leg is reinforced concrete and should not fail due to the crack. After consideration, it was decided not to replace the leg at this time, but that the equipment should be regularly monitored as part of the weekly inspections, to see if the crack gets deeper or worse.

26/046 SPORTS FIELD COMMITTEE REPORT/UPDATE

046.1 Matters arising from previous Sports Field committee not included within agenda - information only

The lightning protection check was carried out on 19th May. No issues were found although it is recommended that a surge protection device is installed to the main incoming power supply. Lightning Protection Services have quoted £400 plus VAT to carry out a site survey to establish what equipment is needed. Last year they quoted £2,448.00 plus VAT to supply and install surge protection. SJB Innovation Services advise that surge protection will need to be added to our system on the next electrical installation 5year check (due 2027) and have been asked to provide a quote for budgeting.

The pitch reseeding was carried out on 3rd June by the Chair of Barton Rovers and the full-time groundsman. They were thanked for their hard work.

The Barton Rovers Youth FC AGM will be held on 10th June at 7.30pm. Councillors Selley, Vale and Paxton and the Assistant Clerk will attend on behalf of the Parish Council and will provide a report.

26/047 MONTHLY FINANCIAL REPORTS

047.1 To receive and consider Balance Sheet, Income & Expenditure Account, Creditors & Debtors Reports for month 2

The monthly financial reports for May month-end were received by members. No issues were raised.

26/048 APPROVAL OF PAYMENT OF ACCOUNTS

048.1 To consider and approve payment of accounts as listed within the schedule or added at the meeting for June

The payments schedule for June was provided to members prior to the meeting. Additional payments to Everflow, Peninsula, Virginmedia, Lamps & Tubes Illuminations and SLCC were added at the meeting. Councillor Paxton **PROPOSED** approval of the payments for June, totalling £35,282.42, including transfer from Savings account, **SECONDED** by Councillor Vale and **UNANIMOUSLY CARRIED**.

26/049 TIME ALLOCATION FOR COMMITTEE MEETINGS

049.1 Dates available for committee/sub-committee meetings –

15th June – A presentation of the proposed artwork for the new Taylor Wimpey development is planned to be held at the Village Hall at 6.30pm. This will be followed by Planning, Highways & Environment, Policies and Resources and Pay & Personnel committees at the Village Hall, starting at 7.30pm.

29th June – Sports Field and Leisure Committees, to be held at the Parish Office, start time 7.30pm.

26/050 ITEMS OF AN URGENT NATURE OR FOR INCLUSION ON THE NEXT AGENDA

It was reported that a large branch has fallen from a tree outside Gale Court. This has damaged the mistletoe Christmas Lights that were in the tree. Councillor Fletcher and the Clerk have investigated and removed the damaged lights from the Branch. A decision is awaited regarding the future of the remaining tree. This item will be discussed further at the next Committee meeting.

The meeting closed at 9.20pm
